

Chimney and stove cleaner

for glass and surfaces

FRAM

GmbH

Clean - Thorough - Fast

Spray bottle
contents: 200 ml | article-no. 0323

Refill bottle
contents: 500 ml | article-no. 0324

The effective stove cleaner makes the glass of the fireplace or stove shine again - a clear view of the flames and clean surfaces ensure a pleasant atmosphere.

Properties

- Ready-to-use, powerful cleaner for fireplace and oven glass panes
- Lathers up, works quickly and intensively - not a drop
- Removes soot deposits, combustion residues, grease and stubborn dirt
- Please also note the information on the bottle label

The fireplace and stove cleaner is a foaming, ready-to-use cleaning agent for removing residues from the stove or fireplace. It removes soot, smoke residue and heavy soiling effectively and without scrubbing.

Examples of use

- Stoves
- Fireplaces inserts
- Cassette inserts
- Stove panes
- etc.
